MEMORANDUM FOR: [REDACTED]

C/AS/ICS

FROM: Robert E. Leidenheimer  
ChairmanSUBJECT: Request for Employment of [REDACTED] as  
Independent Contractor

1. It is requested that [REDACTED] be employed as an Independent Contractor to serve as a consultant to the Security Committee for the period 5 July 1985 to 5 July 1986, at [REDACTED] per day, not to exceed [REDACTED] per annum.

2. [REDACTED] will support the Security Committee's analysis of Unauthorized Disclosures. [REDACTED] had extensive security-counterintelligence experience with the CIA and is implementing the computerized leak register in SECOM, including program development, making him uniquely qualified for this position. He has been deeply involved in this project and has produced written reports which have served as the basis for developing policy in regard to Unauthorized Disclosure matters. Because of his broad background and work in the Community he has established credibility and acceptance.

3. Due to the variety of tasks assigned to this Committee, we must have available an Independent Contractor who can devote his full attention to system monitoring, research and analysis and preparation of written and computer-generated reports.
